It is my great honor and pleasure to announce that the Aurora Japanese Language Scholarship Foundation is hosting our 5th Charity Golf Classic. For the last 4 years, thanks to your great encouragement and support, the Aurora Charity Golf Classic events have benefited the Aurora Japanese Language Scholarship, the Aurora Challenge Grant, and the National High School Students Japanese Speech Contest.

We welcome everyone to our golf event and hope you will enjoy the beauty of the golf course and have the opportunity to meet and socialize with some of the pillars of the Southern California business world.

Dr. Akiko Agishi, President & Founder Aurora Foundation

This tournament was started in 2006 as a way to bring together leaders for the Japanese, American and Japanese American corporate and civic sectors together in an informal setting. The need for bridging in this day and age is vitally important.

It is our hope that this year's tournament lives up to the vision of its founders and that all participating will not only enjoy the day, but extend a hand as a goodwill ambassador. Our heartfelt thanks go to the generous donors and sponsors who make this event possible.

We hope you have a memorable round of golf.

Thomas Iino Pacific Commerce Bank

Dear Aurora Foundation Supporters,

We are very happy to see many familiar individuals and sponsors from past Aurora Foundation events return this year. We appreciate your ongoing contributions, especially during this economic recession.

I'm honored to co-chair this event again this year, and look forward to

seeing all of you and maybe some new faces at this year's golf tournament.

We promise to make this a fun event for all golfers and dinner attendees.

The vision of Aurora Foundation is continuing to grow - we are continuing to support educational and networking opportunities which strengthens our bridge between the U.S. and Japan.

Sincerely,

Nancy Matsui

It is my great pleasure to serve as a co-chair for the Aurora Foundation Golf Classic, which benefits young educators of Japanese Language and Culture in the U.S.

Since the start of the Aurora Foundation Charity Golf Classic in 2006, the Foundation has expanded their goodwill toward not only the Japanese community, but also towards various non-Japanese communities in Southern California. It is their wish to contribute their efforts on the betterment of the world.

I would like to extend my gratitude toward your generous support and contributions to the Aurora Foundation Charity Golf Classic, and I hope you will join us and enjoy a memorable day together.
